Scott W. Ambler, Mark Lines

Choose Your WoW! Scott W. Ambler, Mark Lines, 2020 Hundreds of organizations around the world have already benefited from Disciplined Agile Delivery (DAD). Disciplined Agile (DA) is the only comprehensive tool kit available for guidance on building high-performance agile teams and optimizing your way of working (WoW). As a hybrid of all the leading agile and lean approaches, it provides hundreds of strategies to help you make better decisions within your agile teams, balancing self-organization with the realities and constraints of your unique enterprise context. The highlights of this handbook include: #1. As the official source of knowledge on DAD, it includes greatly improved and enhanced strategies with a revised set of goal diagrams based upon learnings from applying DAD in the field. #2 It is an essential handbook to help coaches and teams make better decisions in their daily work, providing a wealth of ideas for experimenting with agile and lean techniques while providing specific guidance and trade-offs for those it depends questions. #3 It makes a perfect study guide for Disciplined Agile certification. Why fail fast (as our industry likes to recommend) when you can learn quickly on your journey to high performance? With this handbook, you can make better decisions based upon proven, context-based strategies, leading to earlier success and better outcomes--

Big Data Bernard Marr, 2015-01-09 Convert the promise of big data into real world results There is so much buzz around big data. We all need to know what it is and how it works - that much is obvious. But is a basic understanding of the theory enough to hold your own in strategy meetings? Probably. But what will set you apart from the rest is actually knowing how to USE big data to get solid, real-world business results - and putting that in place to improve performance. Big Data will give you a clear understanding, blueprint, and step-by-step approach to building your own big data strategy. This is a well-needed practical introduction to actually putting the topic into practice. Illustrated with numerous real-world examples from a cross section of companies and organisations, Big Data will take you through the five steps of the SMART model: Start with Strategy, Measure Metrics and Data, Apply Analytics, Report Results, Transform. Discusses how companies need to clearly define what it is they need to know Outlines how companies can collect relevant data and measure the metrics that will help them answer their most important business questions Addresses how the results of big data analytics can be visualised and communicated to ensure key decisions-makers understand them Includes many high-profile case studies from the author's work with some of the world's best known brands

Focus on LinkedIn Richard G Lowe Jr, 2016-11-21 Dramatically Increase The Amount of Clients, Income, and Career Potential Discover The Secrets of Writing Better, More Powerful LinkedIn Profiles That Will Attract More Connections, Job Offers, Higher Paying Clients, and Leads for Your Business. Are you worried you aren't advancing fast enough in your career? Concerned that you might be leaving money on the table? Are you stuck in a boring, unrewarding job? Or would you prefer Job Opportunities and Business Leads that come to YOU, offering to Employ YOU or pay YOU money, by learning to write your own LinkedIn profile that attracts the correct people directly to your inbox? I have been where you are today I worked in unsatisfying jobs for employers that didn't care and wouldn't reward good and competent service. I remained in positions for years, sending out thousands of resumes, hoping that someone would recognize my value. What pulled me through was lots of study, specialized training, and practice. More importantly, I believed in myself and the value I could provide to employers and customers for my products and services. At first, I was happy to find a new client now and then to make some extra money. Later I discovered how to promote myself effectively and those customers started coming to me. Instead of wasting time, day after day, fruitlessly searching, they sent me emails asking, demanding - my services, products and employment. Here is what you'll learn inside Focus on LinkedIn Understand the unique importance of LinkedIn. You have found one of the best ways to get employers and clients to come to you. Best of all, they'll be pre-qualified leads, for the most part, which means they are ready to hire or buy your products and services. Increase your qualified leads by targeting your LinkedIn to the right audience. Decrease the time you spend fruitlessly searching for anyone who will buy your products or services, or offer you a position in their company. Explode the size of your professional network by spending as little as a few hours optimizing your professional brand on LinkedIn. Define your Personal Brand and deliver an effective message, which effectively grows a Professional Network which looks to you for answers. Increase your business or job offers several times the current level. Increase your earnings while reducing the time you spend with unqualified leads and employers. Taking the Time to Create an Optimized Profile Works Spending the time to Optimize your Profile really works! Originally my profile was boring and not-well-targeted. Because of this I didn't get any value from LinkedIn. That all changed after I spent the time to go through each section, adding, editing and removing until I had a great profile! Within a week I received an

email, out of the blue, for a ghostwriting project. Richard - I'm looking for a ghost writer with some business and/or IT background. Your profile stood out to me. He was pre-sold on my services, and we quickly signed a contract, and not a small one, to write his new book! Over the following year, by putting the concepts in this book to work, I received dozens of similar queries, and over 50% of them resulted in signed contracts for paying jobs. Optimizing your LinkedIn Profile really works! Buy this Book Now to Understand How to Use LinkedIn Don't waste another day begging for clients, being unhappy in your career, or not gaining any real leads. Scroll up and hit Buy now!
